

*Every day, people interact with public servants
during the most stressful moments of their lives.*

Some moments deserve thanks. Some, the record.

Both belong somewhere.

FIG. 01 — THE MISSION, IN PLAIN ENGLISH

Recognize good service. Document the rest. On the record.

Every day, millions of people interact with public servants — police, EMTs, firefighters, DMV staff, code inspectors, hospital workers. Most experiences are forgotten.

The good ones, never recognized. The bad ones, never recorded.

CivicVoice is where both go on the record.
